

# LEARN WHERE & HOW To Find Buried Treasure

**B**ob Marx has located treasures all over the world, and others find treasure...every day. A few may find it by luck, but most unearth their riches only with proper techniques and after careful planning. Use this book and Bob Marx will be your guide to wealth.

Pick a site from thousands listed in all 50 states and learn how to find its treasure with a modern metal detector. Bob Marx offers no guarantees but vows that if you follow the principles outlined in this book.

You will find treasure!
